<p>Mrs Farrell, Ms de Coriolis, Ms Kamat and Mrs Fuller will also be part of the team</p>	

What were your favourite subjects when you were at school?

My favourite subjects were English, History and PE. I loved writing stories and poems, and my favourite sports were hockey and gymnastics.

What is your favourite subject to teach?

English and reading, I love sharing new books and words with my classes and supporting them with reading and writing. It is wonderful to explore new worlds when sharing a book together.

What is your favourite book and why?

'Charlotte's Web' - I love that Fern, the little girl in the book is brave and stands up for what she believes in, and Charlotte, the spider, proves you don't need to be big to do amazing things! It is also funny and tells us lots about being a good friend and looking out for each other.

What do you like best about teaching at Staplehurst?

Supporting the children every day in their learning. I also love that everyone supports each other and works together as a team to provide the best learning experience for the children.

What did you want to be when you were younger?

I wanted to be a writer- either of stories or a journalist. I also would have liked to work with animals in some way.

What hobbies do you enjoy?

When I have spare time, I love to read and go on long walks in the countryside with my family. I like to run to keep fit and watch films to relax. I also love watching Sunderland play football when I can- though that is not very relaxing!

What three words would describe you?

Friendly, patient, small!

If you were on a desert island what two things would you take with you?

A bed and an encyclopaedia. I could get comfy and learn lots of new things that might help me survive on the island.
